CONSERVATION AND MAINTENANCE OF INFRASTRUCTURE

CONSTRUCCIONES Y PROYECTOS

MDE, in its desire to diversify its business has a presence in the maintenance sector of major terrestrial transport infrastructures: roads, motorways and railways.

MDE possesses the technical, human, logistical and organisational resources which allow us to offer a high response capacity which meets the level of service required by public bodies.

That is why we are responsible for the proper maintenance of hundreds of kilometres of streets and highways, and thousands of hectares of roadside area, keeping these resources in a fit state for use and guaranteeing their security
